Montana Content Standards and Benchmarks

Montana Content standards are the standards for each content area taught in the public schools. Benchmarks show where students should be at the end of the 4th, 8th, and 12th grades. These standards and benchmarks may be accessed by visiting:

www.opi.mt.gov

At the top go to “Families & Students” dropdown and under “School Topics” select “K-12 Content Standards & Revision” and then the area in which you are interested.

If you have questions, please feel free to come by the office or to call me at 683-3737.

Graduation Requirements

The following are the requirements for high school graduation in Montana. Montana Home School students do not receive a High School Diploma for finishing these requirements. They are listed as a guide.
