

Jackson Elementary Graduate Profile

Embraces Diversity

A learner embraces diversity, is sensitive to the needs and values of others, respects individual and group differences, and is free of bias.

- I will work collaboratively with my classmates and community.
- I am open-minded and caring to everyone.

Self-Empowered

A learner is self-aware, self-disciplined, and eager to set a path for self-discovery.

- I am a responsible learner.
- I am self-efficient.
- I am goal-directed. I plan for my future endeavors.
- I am persistent in my work even with the difficulties that I face.
- I will continue to improve my learning and discover myself.

Lifelong Learner

A lifelong learner has the fundamental skills which will provide a basis for lifelong learning.

- I am curious in my learning in all areas.
- I make choices in my learning pathways that will improve my life.
- I am persistent and persevere with my learning.

Critical Thinking

A learner thinks critically, strives for excellence, and has a desire to reach the limit of his or her potential.

- I am adaptable.
- I ask questions.
- I think flexibly.
- I continue to work and strive towards my goals to achieve excellence.
- I go above and beyond my potential to find solutions to problems.
