

## Beaverhead County & Surrounding Area Behavioral Health Resource Guide

All persons licensed in Montana as an LCSW, LCPC or LMFT may diagnose and treat any disorder listed in the DSM. LAC's may diagnose and treat only alcohol, drug and gambling addictions. The categories below indicate areas of personal or agency preference and are not intended to place limits on these state endorsed qualifications. ***We do not recommend or endorse any particular provider, nor verify their credentials, but offer this list for you to investigate and decide who might be the best fit for your needs. Please reach out to the individual providers to learn more about their credentials and area of expertise.***
