

Beaverhead County Area Mental/Behavioral Health Resource Guide

Each individual listed is licensed in the state of Montana as an LCSW, LCPC, LMFT or PCLC, SWLC, or is an administrator of an entity with services provided under such licensure.

For more information regarding services, populations served, acceptable payments and/or service types, please contact the provider or your case manager.

Please note: this list is updated by a community volunteer with the Beaverhead County Mental Health Local Advisory Council. Please understand that changes are made as often as possible but that some information may not always be up to date.
